

Kiwi Can Programme Coordinator Vacancies Auckland

The Graeme Dingle Foundation is a leader in the field of Child and Youth Development in New Zealand. Founded in 1995 as the Project K Trust, Graeme Dingle Foundation provides young people with the opportunity to build self-confidence and learn valuable life skills by participating in a number of successful developmental and life-changing programmes: Kiwi Can, Stars, Career Navigator, Project K and MYND.

Kiwi Can is a values and life skills programme designed for primary and intermediate school students. Right now it reaches nearly 20,000 children in 95 schools around the country, delivering a range of awesome physical, mental and creative challenges - plus high-energy, fun, safe and interactive lessons.

These roles are based across Auckland with our offices being in West Auckland and South Auckland.

Our Coordinators report to the Regional Manager and will have responsibility for developing lessons which align to the NZ curriculum and coordinate the day to day delivery and mentoring of our Kiwi Can leaders who deliver the programme in schools locally.

PERSON SPECIFICATION

- Previous experience and/or knowledge in education, physical education or child-based learning environments.
- Experience managing teams/staff
